

Ursus = Grizzly

Guard = Blockade

Merciless = Barbarian

NOTE:

Three logos at top are the logos of three different rugby teams that were combining to play in a tournament. The goal was to come up with a new logo that incorporated something of each logo into a new combined team logo just for the tournament. Not only was logo needed, temporary new team name had to be created as well.

(Blockade and Barbarian logo not designed by me, Grizzlies uses crest updated from my original design)
